Re: Letter of September 30, 2004

Dear Mr. Jeff S. Jordan:

MUR 5513

I am the Managing Member of Choices For America LLC. I am the sole member of Choices of America LLC. Choices For America LLC is a Missouri LLC.

The New Hampshire Democratic Party is factually wrong throughout its complaint.

Choices For America LLC does not have, and has not in the past had either a contractual or working relationship with Norway Hills Associates Incorporated. Choices For America LLC has no knowledge about Norway Hills Association, Incorporated.

Choices For America LLC has not paid Norway Hills Incorporated for any services, as it has not contracted with Norway Hills for any service, and does not currently intend to do so in the future. Choices For America LLC does specifically reserve the right to contract in the future with any entity for any legally allowed purpose or activity.

While there is no reason why it should matter, the Founder of Choices For America LLC is not a Republican consultant, is not from Las Vegas, Nevada, and does not have a mother-in-law, much less one that is the Republican State Party Chairwoman from Nevada.

Thank you very much.

Sincerely yours,

*C. A. Hurth, III*
